We're six little nieces of our Uncle Sam, and we don't give a rap for
any other chap who doesn't do his bit. He'll never make a hit with the nieces of your Uncle Sam. We are six little nieces of our Uncle Sam, and it's knit, knit, knit when we stand or when we sit, and all day long we're going strong for—Yankee Doodle Dandy. Just to show my patriotic attitude,

We're Six Little Nieces of Our Uncle Sam melody

We're Six Little Nieces of Our Uncle Sam. We fall in, fall in, fall in, with us. Don't make a fuss. We fall in, fall in, right now. Don't make a row. We think it better to dispatch a letter to a cigarette or two and sweater to the boys. We've got a notion to sail o'er the ocean to the big commotion, oh, the blow we'll hand the foe over there, over there, over there, over there. We're six little nieces of our Uncle Sam, and you'll find us on the job against the Kaiser and his mob. The Marseillaise inviting us. Go, Johnny, get your gun. That bunch will know they're fighting us. We're coming on the run. For the Kaiser too we've a surprise or two. We call on you just to show what you can do. We depend on you to beat them, defeat them. We'll blow 'em all to pieces. We're the nieces of our Uncle Sam.
